

SecureLogix® Training Department

WHERE ARE WE?

The SecureLogix Corporation office and training facility are located within the Sterling Bank Building in north-central San Antonio; approximately four (4) miles north of the San Antonio International Airport.

To locate us with an online map website, please use the following address:

Sterling Bank Building
13750 San Pedro Avenue
San Antonio, TX 78232

Additional information:

- *The nearest major cross street is Bitters Road.*
- *San Pedro Avenue overlaps with US Highway 281 north of the San Antonio International Airport.*

While here for the class, feel free to park at the rear of the building (facing away from Highway 281 and towards The Home Depot) or in the parking garage in any spot not marked as reserved. You will enter the building on the 2nd floor. From here, take an elevator and proceed to the training room located in the basement, Suite B25.

Class begins at 9:00 am, Tuesday through Thursday unless otherwise specified. Please refer to your Class Registration Confirmation email for more details.
